PROFILE SUMMARY

My background has been primarily in finance, where I developed strong analytical and problem-solving skills. However, I have always been drawn to technology and the endless possibilities it provides. With the increasing demand for technology solutions in every industry, I believe that this is the right time for me to make this transition to full-stack development.

- TeamworK.
- Communication skills.
- Problem-solving.
- Active listening.
- Time management and organization
- Work ownership

WORK EXPERIENCE

Financial Analyst   Sep 2018 – May 2019 (9 months)
Jáuregui y Del Valle, S.C., Mexico City

My job tasks included ensuring accurate billing, tracking and reconciling financial transactions, preparing financial reports, and maintaining financial records. I also collaborated with cross-functional teams to analyze accounts receivable and provide insights for strategic decision-making.

Accomplishments
- Successfully increased invoice collection by 9% through implementing and improving collection procedures, resulting in a significant increase in revenue and cash flow for the company.
- Conducted regular reviews of accounting procedures and identified areas for improvement, resulting in increased efficiency and productivity.

Account Executive (Finance)

AON Benfield Mexico Reinsurance Intermediary . Mexico City.

Nov 2012 – Nov 2014 (2 yrs 1 mo)

As an accountant in the finance team, I was responsible for monthly billing and reporting directly to the Latin America CFO. I attended internal and external audits, collaborated with the CFO to forecast revenue and expenses, and participated in the restructuring and alignment of fiduciary accounts. I was diligent and detail-oriented, ensuring accuracy and compliance with regulations at all times. Through my work, I gained valuable experience in financial analysis and reporting, as well as in managing and optimizing financial processes for the organization.

- Contributed to the team effort in obtaining financial statement rulings for 2014 and 2015.
- Achieved record time of 2 months to meet regulatory requirements for Revenue Solvency II of reinsurance intermediary companies.
- Suspendisse fringilla et libero nec commodo. In hac habitasse platea dictumst.
- Designed and implemented an effective archive system for tracking billed revenue and payments.
- Participated in control strategy implementation to achieve revenue forecasted goals, resulting in a 16% increase in annual revenue.

Financial Analyst Jr.

Apr 2016 – May 2018 (2 yrs,2 mo)

Michael Page International, Mexico City.

I learned the importance of teamwork and gained hands-on experience in managing payroll, settlements, accounts payable, and accounts receivable. I collaborated closely with the accounting team to ensure accurate financial record-keeping and reporting. Through this experience, I developed a strong attention to detail, problem-solving skills, and the ability to work under tight deadlines.

EDUCATION
COLLEGE

Accounting/ Bachelor's Degree
